SOFTSIM TECHNOLOGIES INC. · ACCESS TO INFORMATION AND PRIVACY

Axcess1 | SoftSim

Newfoundland and Labrador

Built around your law — not around generic case management.

Axcess1 takes a request from intake to release under Access to Information and Protection of Privacy Act, 2015 (SNL 2015, c A-1.2).

Your Act
Provisions, time limits, notices and letters already loaded

20 working days
The statutory time limit, calculated for every request

Agentic AI, optional
AI assists. Authorized officials decide.

Free for 30 days
One licence, the full product, no obligation

Built around your law

Many case-management products ask a public body to adapt its process to the software. Axcess1 is configured around the legislation, the procedures, the vocabulary and the reporting obligations of each jurisdiction. An organization chooses its Act once; every screen, deadline, letter and report then follows it.

Generic case management

The organization adapts to the software.

Axcess1

The software follows the legislation and the way government works.

Legislative support — ATIPPA, 2015

Access to Information and Protection of Privacy Act, 2015 (SNL 2015, c A-1.2)

What the Act requires	As configured in Axcess1
Who it applies to	Public bodies (s. 2(x)): government departments and branches; Crown-owned corporations and bodies whose majority is appointed by an Act, Cabinet or a minister; the House of Assembly and statutory offices; local public bodies — educational bodies (Memorial University, College of the North Atlantic, school boards, etc.), health care bodies (Provincial Health Authority, etc.) and local government bodies (St. John's, Mount Pearl, Corner Brook, every town under the Towns and Local Service Districts Act, designated bodies); and entities created by local government bodies to manage local assets or responsibilities. Excludes constituency offices, the courts and Schedule B bodies.
Time limit to respond	20 working days (s. 16(1)). The due date is calculated when the request is entered, with the holidays of the jurisdiction.
Extensions	The public body cannot extend on its own. It may apply to the Commissioner within 15 business days of receiving the request; the Commissioner decides within 3 business days and sets the number of business days. The application does not stop the clock (s. 23(4)). In extraordinary circumstances any party may ask the Commissioner to vary a time limit (s. 24). (s. 23)
No answer in time	Treated as a refusal (s. 16(2)); overdue requests are flagged.
Third-party notice	Notice under s. 19(1); 15 days to seek review of the decision
Transfer to another body	s. 14(1), within 5 days
Decision and reasons	The decision letter gives the reasons, the provision relied on and the right of review (s. 17(1)(c)).
Fees	No fee to make a request or for identifying, reviewing or severing (s. 25(1)); modest locating costs only after 10 hours (local government body) or 15 hours (other bodies), plus copying/shipping, with an estimate (s. 26); no costs for own personal information (s. 25(4)) or correction (s. 10(2)).
Review and complaints	Office of the Information and Privacy Commissioner of Newfoundland and Labrador; 15 days to ask for a review (s. 42(2))
Privacy breaches	Notification is mandatory; the incident register applies this jurisdiction's threshold, notices and time limits.

Loaded for this Act

- **72 provisions** (exemptions, exceptions and exclusions) ready to cite on a redaction, each with its section number.
- **Request types:** General information request (ATIPPA, 2015); Own personal information (ATIPPA, 2015); Correction of personal information (ATIPPA, 2015, s. 10).
- **Statutory steps on the timeline:** Advisory response sent (s. 15, within 10 business days); Request transferred to another public body (s. 14, within 5 business days; clock restarts at transfer); Application to the Commissioner to disregard the request (s. 21, within 5 business days; clock not suspended); Extension approved by the Commissioner (s. 23) — business days as approved; Procedure or time limit varied by the Commissioner — extraordinary circumstances (s. 24); Third-party notification (s. 19(1)) — does not suspend the 20-business-day limit….
- **Standard letters** for this Act: acknowledgement, extension, third-party notice, fee notice and decision, from templates your office can edit.

Legislation-to-feature matrix

Legislative requirement	Axcess1 support
Statutory deadline	20 working days (s. 16(1)): calculated automatically for each request; overdue and upcoming requests on the dashboard.
Extensions and holds	Recorded as events that move the due date, each tied to its section of the Act.
Exemptions and exclusions	The provisions of ATIPPA, 2015 in the redaction editor, each with its section number.
Third parties and consultations	Notices, consultation packages and their due dates tracked on the request.
Fees	Fee notices and payments recorded on the request.
Reviews, appeals and complaints	Recorded on the request timeline with their dates and outcome.
Redaction	Done by the analyst in the built-in editor; optional AI suggestions that the analyst accepts or rejects.
Decision letters	Generated from templates for this Act, with the provisions cited.
Release	A release package built from the reviewed records; redactions are permanent in the released file.
Annual statistics	Annual access statistics for the period, with each figure traceable to its requests.

Legislative requirement	Axcess1 support
Audit trail	Every action on a request is recorded with the user and the time.

From request to release

Step	What Axcess1 does
Receive and validate	The request is entered with its type, requester and date received; a number is issued from your own numbering pattern.
Calculate the deadline	The due date follows the Act: 20 working days (s. 16(1)). Holds and extensions move it and are recorded.
Assign and search	The request is assigned to an officer; the units holding records are tasked and their answers tracked.
Collect and review	Records are uploaded (PDF, Office files, scans with text recognition) and reviewed page by page.
Apply the provisions and redact	The analyst marks a passage and picks the provision of this Act; the released copy shows the section relied on.
Consult	Consultation packages are produced per party, with their due dates.
Approve	The response goes to the approver's inbox for review and signature.
Release	The release package and the decision letter are generated from the request.
Report	Requests, processing times, decisions and provisions invoked are counted for the period you choose.

Agentic AI across the lifecycle

AI is switched off until your administrator turns it on, one capability at a time. **AI assists. Authorized officials decide.**

Agent	What it does
Intake agent	Proposes a new request from a message, the portal or a drop folder; an officer confirms it.
Document intelligence	Summarizes and classifies the records and finds the people and organizations named in them.
Responsiveness agent	Suggests which records answer the request.
Exemption assist	Proposes provisions of ATIPPA, 2015 with reasons; redaction candidates appear in the editor.
Consultation agent	Suggests who should be consulted and on which pages.
Quality assurance agent	Checks a package a second time before release.
Deadline watch	Lists the requests at risk of running late.
Copilot	Answers questions about a request, citing the records it used.

Audio and video, redacted and checked

- **Picture and sound together:** blur or black out part of the picture and mute or bleep what is said at the same moment, each redaction tied to the provision of your Act.
- **Faces, licence plates, screens and text found for you:** detection runs on the server that runs Axcess1 (yours, or ours in Canada), with no outside AI service, and follows each one as it moves. An authorized official accepts or rejects every find.
- **Checked before release:** each redacted copy is compared with the original, box by box and passage by passage, and a copy that fails is not released. Location, author and device details are removed; the original is never changed.

Migration, deployment and security

- **Migration:** case history, requesters and documents are brought over from the system you use today.
- **Deployment:** hosted by SoftSim in Canada, on your own private cloud or servers, or standalone on a PC or Mac.
- **Security:** SoftSim is cleared by the Government of Canada at the Top Secret level. Each organization's records are separate, access is controlled by role and every action is recorded.
